

Deutanomaly

Population per Square Mile

- Less than 100
- 100-5,000
- Greater than 5,000

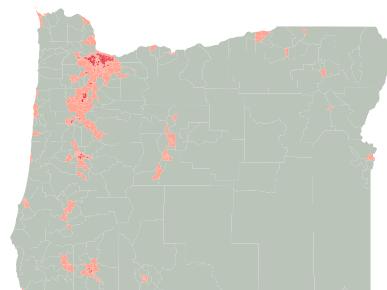

Protanomaly

Population per Square Mile

- Less than 100
- 100-5,000
- Greater than 5,000

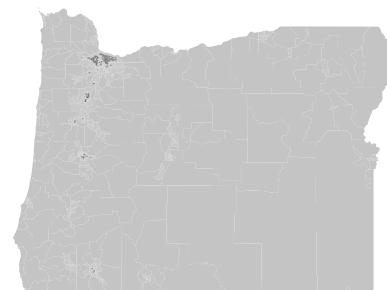

Tritanomaly

Population per Square Mile

- Less than 100
- 100-5,000
- Greater than 5,000

Desaturated

Population per Square Mile

- Less than 100
- 100-5,000
- Greater than 5,000
